

Citagenix presents

Suturing - tips and pearls!

With Dr. Raman Kohli

January 24, 2012

Burlington, ON

Raman Kohli graduated with a DDS from the University of Toronto in 1990 then practiced general dentistry for 13 years. In 2003 Raman decided to return to University for graduate studies. He was accepted into the periodontal and implant surgery specialty program at Boston University. There he received a masters degree in Oral Biology and Periodontology and was distinguished as the top graduating resident. Since graduating Raman has been practicing in Boston and more recently at his practice in Burlington. He continues his academic involvement at Boston University as a contributing author in a Periodontal textbook.
